NOTES:

- * These items are done on behalf of the student by departmental personnel. However, it is the ultimate responsibility of the student to ensure that all items and forms are completed.
- ** In view of the nature of the residency requirement, students are encouraged early in their graduate programs to plan to meet this requirement by the prudent and timely selection of courses, credits, and registration status (full time or part time, etc.).
- *** The dissertation must be completed in accordance with strict formatting guidelines. A guide for the writing and production of the dissertation can be obtained from the office of the Dean of Graduate Studies.
- **** It is traditional for the student to provide his/her major advisor with a bound copy of the final dissertation.
